Flip Flops	Spring Showers	Snuggle Under a Blanket	

## Hot Summers, Snowy Winters

Branson has the best of all four seasons. Summer is full of sunny days where people can play outside, head to White Water or take a dip in the lake. In the fall the sky is full of colorful leaves and the temperature is mild making it great for any excursion whether it be heading to a show or hanging out at Silver Dollar City. During the winter we are blessed with beautiful snow making the Christmas season that much more special. Activities still abound during the winter months. Entertainers will be at their shows, many offering special Christmas renditions during the holidays. Light displays are sprinkled throughout the city. And, you can't miss out on the famous Silver Dollar City light display. When spring arrives it does bring refreshing showers but the flowers will also be in full bloom and Branson is gearing up for its busy season. No matter what the season or the weather you'll have a great time in Branson. Shows, events and attractions are opened throughout the year.

## Spring (March - May)

As the daytime temperatures rise in late March and April, dogwoods, redbuds wildflowers, and forsythia begin to bloom, transforming the Branson and the Ozarks into a springtime oasis. Elaborate landscaping at area businesses and public parks makes for postcard perfect pictures. Volunteers work diligently each year on beautification projects throughout the area.

Spring is a great time to head to one of the area's lakes or golf courses or take a hike along a nature trail. The best fishing of the year on Table Rock Lake is during the spring, especially for lunker-sized bass.

Many of the area's live performance venues introduce new acts and new shows in the spring of each year. Guests can attend Hot Winter Fun, which offers spectacular shows, amazing attractions, fabulous food, super shopping, luxurious lodging, and superb special events. Visitors heat up to sizzling performances from some of Branson's outstanding shows and get down with the great rates available around the city.

## Summer (June - August)

The Associated Press calls Branson one of the top family vacation destinations in the country and for good reason. With three area lakes that offer an abundance of recreational opportunities from wakeboarding to scuba diving to fly fishing, and a vast array of lodging accommodations from which to choose, families of all ages and sizes choose Branson as their destination of choice for summer time fun.

Because the lakes are located just minutes from the center of town, it's easy to plan a vacation filled with outdoor recreation, shows, attractions, theme parks, shopping, amusement centers, plenty of dining options and more.

The live shows in Branson offer families with children high tech magical illusions, Chinese acrobats, daredevil skateboard exhibitions, high-flying trapeze artists, talking dogs, buffalo stampedes, comedic characters, and, of course, a variety of styles and periods of musical entertainment.

## Fall (September - October)

The autumn landscape in the Branson area explodes in an array of rich colors beginning in mid-September and lasting through late November. Great ways to see fall color in the Ozarks are via plane, helicopter, train and boat at one of the area's many excursion and sightseeing attractions. Branson celebrates its traditional American heritage in the fall with craft and music festivals, and many outdoor sporting activities.

## Christmas (November - December)

Just like the finale of a fantastic show, Branson's Ozark Mountain Christmas (November and December) brings together a broad and unexpected mix of world-class entertainment, recreation and holiday spirit to provide a truly exhilarating vacation experience. During Ozark Mountain Christmas, Branson transforms into a holiday wonderland featuring spectacular lighting displays, multiple shows celebrating Christmas, theme parks in all their holiday glory and seasonal special events.

In November, Branson honors veterans with the largest homecoming celebration in the nation, Veterans Homecoming. Thousands of veterans, active duty military personnel and their families attend more than 50 special events honoring their service and sacrifice, concluding with the November 11th Veterans Day parade in Historic Downtown Branson.

Experience the magic of the season during the Branson Area Festival of Lights as all of Branson is a glow for the holidays. From fabulous shows and dazzling lights to spectacular shopping and breathtaking scenery, Branson is a special gift for everyone in your family during this special time of year.

The centerpiece of Ozark Mountain Christmas, the Branson Area Festival of Lights drive-through, will delight children of all ages. Other drive-through lighting exhibits are also available for your enjoyment including the Shepherd of the Hills Trail of Lights on West Hwy 76.

In 1948 the first Adoration Day Parade made its way through Historic Downtown Branson, bringing the community together to celebrate the true reason behind the season. Now more than half-a-century later, and with the same objective in mind, Branson still celebrates the Adoration Day Parade.

Branson is a holiday shopper's paradise with three major outlet malls featuring more than 200 name brand shops. Hundreds of area boutique and specialty stores offer one-of-a-kind hand-made heirloom quality gift items.

### Winter (January - February)

Escape the winter blues and cure your cabin fever with a getaway to Branson during January, February and March. Because snowfall is infrequent, relatively light and short-lived, and daytime temperatures rise well into the 50's, the winter months are a great time to visit Branson. You can see shows, shop after-Christmas sales, play golf, visit indoor attractions and museums, and fish on the area's three lakes. In fact, trout fishing on Lake Taneycomo is ideal this time of year. There's no shortage of special things to do and see. Many area resorts and lodging properties offer great discounts during the winter months. Escaping to Branson after the holidays is both relaxing and entertaining. The easy pace combined with multiple choices for fun make a visit to Branson, the perfect escape.
